VACCINATIONS

EVA vaccination is **not** a prerequisite for entry. For vaccinated stallions, the date of last vaccination and pre-vaccination blood test must be shown. Influenza and tetanus vaccinations **must** be up to date.

Vaccine	Date	Valid until	Date of clear pre-Vacc. Blood test*
EVA
EHV-1
Eq. Influenza
Tetanus

PLEASE TURN OVER

CEM

To the best of my knowledge and belief:-

- i) the stallion* and his dam* have never tested positive for CEM.
- ii) the stallion has not had contact with CEM positive horses for a period of at least 60/90* days prior to the date of this certificate.

* Delete as appropriate. (Please contact the Freezing Unit if any deletion is necessary.)

GENERAL

I, the undersigned, hereby certify that I examined the above stallion on.....(Date), being within 20 days of the agreed date of entry to the A.I. Centre, and found him to be free of clinical signs or symptoms of infectious or contagious disease. To the best of my knowledge and belief there has been no case on the premises where this stallion normally resides of:-

- (a) EVA, EIA, CEM, Eq. Encephalomyelitis, Borna disease or Surra in the past 12 months;
- (d) Strangles within the past 30 days.
- (c) EHV I & EHV II within the past 30 days.
- (d) Ringworm within the past 30 days.

Signed..... MRCVS Name:.....
(Block Capitals)

Address.....

.....

.....Phone No

A passport or other means of positive identification must accompany the stallion to the Centre.

This certificate and a copy of the lab results must be sent/faxed to Stallion AI Services before the stallion comes to the Centre.
