SEMEN DISTRIBUTION – IMPORTANT INFORMATION.

The Storage & Distribution Unit operates 8.30 am – 1.00 pm, Monday – Friday.

SEMEN DELIVERIES ARE MADE TUESDAY - FRIDAY INCLUSIVE.

We can normally dispatch the semen within **24 hours** of written order been given.
But please allow three working for the semen to be packed and dispatched.

To be able to release any semen we require written confirmation (fax or email) from the semen owner

Please include the following details:

- Name of stallion
- How many doses you require us to send
- Name, address & telephone number where the semen is to be delivered
- Name, address & telephone of the person who will be paying the bill
